Term 3

Welcome back to Term Three and belated Happy new year

This term we are going to be studying Scotland's place and influence in the world and subsequently looking at Scottish politics. The culmination of this will be for the pupils to form a party, write a manifesto and mount an election campaign. This term the P7s will also be taking part in transition events as part of their preparations for going to Lochside and Mr. Henry has already been in to speak to them regarding uniform and decisions to be made. The first of these transition events is next week, and we hope they will make the most of getting to know some of their potential new classmates.

Finally safer internet day is coming on the 6<sup>th</sup> of February and there will be a parental event nearer this time, stay tuned for updates.

Mr. Hall

## Homework

### Homework

Homework will be issued on Fridays and should be completed and returned on the following Wednesday. The focus of this will be mainly literacy and numeracy with some self-directed research.

Two weeks of not handing in homework on the correct day without good reason, will result in a loss of sensational spaces time.

### Reading

We are using the accelerated reader programme and are developing our skill both in comprehension and reading stamina. Pupils are to be encouraged to read as widely and for as long as they can at home.

## Gym Shoes and School Clothing

As the weather remains wet and cold it is important that all children have **indoor shoes** to wear whilst at school as the classrooms get covered in mud if it has been wet.

### Library

P7 will visit the Library every Thursday. Please ensure that issued books are brought back each week otherwise they will be unable to choose a new one.

### Water Bottles

Children may bring a water bottle to have in class. As part of our commitment as an Eco school it would be appreciated if these were reusable and labelled with the child's name.

### P.E.

Primary 7 will be having P.E. on Tuesdays and Thursdays this year and they will need to have suitable kit for these lessons. Girls must have hair tied up and no jewellery can be worn. Any new piercings that cannot be removed will be covered with micropore tape.
